CORAVIN WINE BY THE GLASS

Coravin delivers the ultimate in wine preservation.

Unlike other wine preservers, which only delay the oxidation of your wine, the Coravin Wine Preservation System is designed to pour wine without removing the cork, so wine always tastes like it has just been opened even years later.

The Needle is the pinnacle of Coravin's technology.

The non-coring Coravin Needle gently passes through corks without displacing cork material. Once the Needle is removed, the cork simply expands back to its normal shape. As wine is extracted through the Needle, it is replaced with pure Argon gas, ensuring oxygen never touches the remaining wine, keeping it as fresh as the day it was bottled.

BIANCHI

2022 Conterno Fantino, 'Bastia' Chardonnay Piedmont, IT 45

From the 'Bastia' cru, located next to the winery at 500 metres above sea level. Fermented and aged in barrique for twelve months, Fabio Conterno keeps the wine on its lees but avoids battonage and uses minimal sulphur. Straw yellow with elegant bouquet of yellow flowers, butter, banana and honey, the palate fresh and full flavoured. There is some very good Chardonnay in northern Italy and this is right up there with the best.

ROSSI

2020 Fantini 'Edizione Cinque Autoctoni No.21' Montepulciano Blend Abruzzo, IT 39

Farnese Fantini Edizione Cinque Autoctoni has a deep ruby red colour. The nose is complex with notes of dark fruit, spice, and vanilla. The palate is full-bodied with flavours of black cherry, plum, and liquorice. The wine has a long, lingering finish with hints of chocolate and coffee.

2020 Roberto Sarotto, Barolo Piedmont, IT 40

The wine is kept in French oak barrels for maturing as long as necessary according to the vintage.

The result is a really full-bodied wine, complex and seductive on the nose, rich and soft on the palate. It is full of character and vigour, yet delicate, elegant, harmonious, with hints of wood and almonds and clear-cut tannins.
